**Insurance Report:** At the sales conference in July, we were informed that as of sometime following the 1<sup>st</sup> of the year we will **NO LONGER** be offering our Survivorship Universal Life insurance product at the rate it has been for many years. The reason being for this is that it is **Too Good of a Deal** to continue offering at this price.

The team from home office encouraged us to let all brother knights know about this so if they wish to take advantage of it, they can before the end of the year in order to get the “**Discounted**” rates.

- FYI, the purpose of this policy is to pass on wealth to your children or grandchildren tax free.
- It can be structured so that you pay in for only a short period of time, or so that you pay a minimal premium for the duration of your life.
- It is able to take a small amount of money and guarantee a minimum payout of \$250,000 tax free. This means that the minimum it can be issued for is \$250,000.

This is a fantastic tool for **transfer of wealth**, and if you are interested to know more please feel free to contact me! But don't wait till the last minute because life insurance has to go through underwriting so **make sure if you want on the train you take action soon!**

**Notice of Members Illness:** Please contact Russ Pogodzinski (715-667-3485) to report a member's illness or hospitalization. We ask this so we can send our Brother Knight a card conveying our best wishes and prayers.

**Attendance Drawing:** The September meeting was won by Robert Irwin.
