

All Saints PCCW Minutes

Thursday May 21st, 2026 6:30 PM Stanley

Opening Prayer: Prayer to Our Lady of Good Counsel--Jean

Call to order at 6:30

Old Business:

1. Treasure Report: Ann Wagner: As of May 8th, the balance is \$8383.17.
\$100 was paid to the deanery for Stubenville and there will be money coming in when the final BINGO income is determined. The payment for the tabletops for St. Joseph-Boyd church basement is pending as well as the cost for linens for the hall.
2. Intro of new elected board members: Jennifer Rogalski will take the seat as President, Donna Schunk was elected Vice President, Char Zenner was elected Treasurer, and Kim Gundlach will remain the Secretary for one year to make it easier to stagger elections.
3. Beautification—flower beds at all churches, school, and hall: We would like to create a committee and a budget for beautification. We decided to put out a call in the bulletin and an announcement to ask for some volunteers that might have some experience and knowledge of gardening/landscaping.
4. Puzzle Tournament, July 19: The flyer has been distributed and there are already 5 teams signed up. We're still deciding on snack ideas and refreshments. Char Zenner offered to help Jenn Rogalski with setup. The theme is "Christmas in July" since the puzzles are Christmas themed.
5. St Rose cleaning day: Cleaning was Thursday, April 30th after Mass and many tasks were completed yet there is more to do. There were about 10 people that showed up to clean. It worked well to put a call for help in the bulletin. There will be a similar call for help to take care of Holy Family this summer. We will look into ordering special window cleaning cloths.

New Business:

1. Fall Raffle: Cash raffle will be drawn at the Christmas Bizarre. Diane Weggen will be contacted to order tickets and organize the cash raffle.
2. Ideas for next year's programming
 - a. Christmas Bazaar: Nov. 8th: There was a reminder, during thrift sale season, to look for silent auction items.
 - b. Pork & Sauerkraut Dinner: Tentatively set for Oct 4th. Laurie Sonnentag suggested having the dinner at the hall for the convenience and safety of the kitchen for food prep and serving. Mass is in Stanley at 10:30 due to construction so it makes for a good opportunity to move the dinner to the hall. Laurie Sonnentag will head the committee. There was a suggestion to have a pie sale at the dinner.
3. Welcome Folders/Bread/Wine for new parish members/families: There were folders that came with the new church directory that can be used to put together a welcome folder containing contact information and parish information. Kim Gundlach offered to join this committee.
4. Meal Prep Party - Stephanie Schuebel was not present to discuss.
Laurie Sonnentag mentioned that the Apple pregnancy center located in Eau Claire is considering making meals for new parents and the "Meal Prep Party" could possibly go along with this idea.
